Public listing facts are summarized from Zillow. For current price, status, photographs, and broker information, consult the live listing.

1 Property summary

The public Zillow listing identifies this home as a single-family residence in Ballwin, Missouri. Zillow reports a list price of **USD 379,900**, three bedrooms, three bathrooms, 1,135 square feet of living area, a 10,049-square-foot lot, and a 1965 construction year. It also shows an estimated price of USD 335 per square foot and no HOA fee. [1]

1.1 Features noted in the public listing

The public listing describes the following features. They are summarized here for quick reference rather than reproduced as Zillow marketing copy. [1]

OPEN LAYOUT

A split-level plan described as bright and open.

UPDATED KITCHEN

Custom cabinetry, stainless appliances, and a large center island are noted.

REFRESHED FINISHES

The listing notes fresh paint, new trim, updated lighting, and luxury flooring.

LOWER-LEVEL SPACE

A finished family room and flexible bonus room are described.

OUTDOOR SPACE

The listing notes a covered porch, patio, and level backyard.

PRACTICAL AREAS

Laundry, storage, and a workbench are mentioned in the lower level.

1.2 Listing representation

Zillow identifies **Worth Clark Realty** and **Beth Muckerman** as the listing representation shown on the public property page. Buyers should use the live listing for the most current availability, pricing, showing information, and broker details. [1]

1.3 Source and verification

This printable brochure intentionally summarizes factual information from Zillow rather than reproducing Zillow's photography or marketing copy. Property data, price, and availability can change. Buyers should independently verify all information before relying on it.
