1 Owner-prepared property summary

ThisHome4Sale prepared this brochure for the property owner. The public Zillow property record is used as a point of reference for the stated price, bedroom and bathroom counts, living area, lot size, and year built: **USD 379,900**, three bedrooms, three bathrooms, 1,135 square feet, a 10,049-square-foot lot, and 1965. [1]

1.1 Property details referenced from Zillow

The following details are summarized for quick reference from the public Zillow property record; they are not reproduced as Zillow marketing copy. [1]

OPEN LAYOUT

A split-level plan described as bright and open.

UPDATED KITCHEN

Custom cabinetry, stainless appliances, and a large center island are noted.

REFRESHED FINISHES

The listing notes fresh paint, new trim, updated lighting, and luxury flooring.

LOWER-LEVEL SPACE

A finished family room and flexible bonus room are described.

OUTDOOR SPACE

The listing notes a covered porch, patio, and level backyard.

PRACTICAL AREAS

Laundry, storage, and a workbench are mentioned in the lower level.

1.2 Owner-authorized photography

All photographs in this brochure are owner-authorized images supplied through ThisHome4Sale. They are not Zillow photography. For the most current public property record, availability, price, and showing information, use the linked Zillow page. [1]

1.3 Source and verification

ThisHome4Sale is the author and publisher of this printable brochure on behalf of the property owner. Zillow is cited solely as a public fact-reference source and link destination; Zillow did not create, sponsor, or endorse this brochure. Property data, price, and availability can change, and buyers should independently verify all information before relying on it.
